

AVIONICS SERVICE

SINCE 1973

Our Nav/Comm/ADF Shop is staffed with some of the most experienced technicians in the industry. We strive to give you a quick turn time with every repair and overhaul. We have capabilities on many units from General Aviation up through Air Transport ARINC 700. Call for a copy of our complete capabilities list or visit our website. ASI utilizes the latest testing procedures and equipment to give you the best quality workmanship done to factory standards. We specialize in Rockwell Collins, Honeywell, Gables and Marconi, just to name a few. ASI is also an authorized warranty repair station for Rockwell Collins and Honeywell, among others. Send in your unit for a quote today!
